

include/hash_table
_manager.h

```
graph TD; A[include/hash_table_manager.h] --> B[stdint.h]; A --> C[stddef.h]
```

The diagram illustrates a header file dependency. At the top, a box labeled 'include/hash_table_manager.h' has two blue arrows pointing downwards to two separate boxes. The left box is labeled 'stdint.h' and the right box is labeled 'stddef.h'. This indicates that the 'include/hash_table_manager.h' file includes both 'stdint.h' and 'stddef.h'.
